

SUMMER READING ASSIGNMENT INSTRUCTIONS

Summer Reading Assignment: By Sunday, August 14, students in English 8 - IV in all phases (Honors, Academic, Standard) must read their assigned book and complete this Google Form in regards to the assigned book. The form will ask questions about you, your course, and 2 questions that you must answer based on the book. In addition, there will be a space for you to paste the unlisted YouTube link (web address) to your personal 2-3 minute video critique of the book in the Google Form.

This critique must include the following elements:

1. State your name and book title.
2. Discuss a "life lesson" that the book suggests and explain why you picked that one.
3. Choose a character to switch places with and explain why you chose that character.
4. State what you would search and/or what you did search on Google while reading the book and why you searched for this information.
5. Compose an alternate(different) title for the book and explain why you would use that title.
7. Describe a moment or a scene that you would erase from the book and explain why you would do that.

If you have a chance, recommend a book/author/genre for future summer reading choices.
