Student Honor Code

SCC will put forth extra effort to ensure that students uphold the school code of academic integrity during the course of the school year. Whenever a student signs his/her name to an assignment, it is understood that he/she agrees to uphold the academic integrity of SCC by choosing to complete the assignment without cheating in any way. This will be considered a confirmation of his/her commitment to academic integrity. Our hope is that emphasis on upholding this standard will discourage cheating as an option.

- Teachers help students develop themselves as leaders in their faith and in the community.
- Students' learning to respect themselves and others in daily life is a primary value of education.
- Each student is uniquely gifted by God, and it is the role of our school to help each student develop and share his or her gifts according to God's plan.
- Students are to be challenged and encouraged academically to achieve to his or her fullest potential.

Accreditation

- St. Charles Catholic is accredited by AdvancED, the national accreditation commission, and is approved by the Louisiana State Department of Education. Membership is held in the National Catholic Education Association.

Statement of Philosophy

- St. Charles Catholic believes that our primary concern is the Catholic education of our students. In our service to the young men and women of the River Parishes, we are attempting to provide an atmosphere, which stresses Catholic values while challenging students to become self-disciplined, self-motivated, and well-adjusted individuals.
- The SCC curriculum, which is primarily college preparatory, strives to meet emotional, physical, and social needs of our students. Our academic program attempts to develop thinking skills, reasoning skills, and decision-making skills necessary for our students to grow into mature adults capable of positively contributing to society. We strive to develop responsible citizens who practice the principles of a democratic society and respect the rights and dignity of all individuals.
- By establishing an atmosphere where Christian values are practiced, taught, and developed, it is our desire to model a Christian community for our students so that it can be continued through life. SCC's goals support our philosophy of developing the whole person.

Admissions Policy

- The schools of the Archdiocese of New Orleans, Louisiana, admit students of any race, color, national, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at its schools. They do not discriminate on the basis of race, color, national, or ethnic origin in administration of their education policies, scholarship and loan programs, and athletic and other school-administered programs.
- **All admissions to SCC are for one year at a time. Each year after the initial year, the administration reserves the right to refuse admission to a former student. A student's academic and disciplinary record will be reviewed in determining readmission for the following year.** A student who leaves SCC and wishes to return must apply for readmission. Readmission is not automatic. The student's academic and behavioral record will be reviewed. A decision will be made based on what is best for the school and the student at that time.
- In order to enter SCC, an incoming student must have a passing final grade in ELA and Math.

Finances

- Tuition and fees for the 2022-2023 school years are **\$9,200.00** for grades 9 through 12 and **\$8,650.00** for 8th graders. There are two (2) payment options available.
- A student will not be allowed to start school unless all tuition and fees are paid in full, unless parents are using the monthly payment plan. A student will not receive any transcript of grades from this school unless all indebtedness to the school has been removed.
- For the 2023-2024 school year, each student who presents his or her I.D. at the gate will be admitted free to all HOME REGULAR SEASON athletic events.

- Your tuition and fee costs enable our school to operate. These funds are more critical than ever to SCC's ability to function. Tuition and fees help us cover expenses associated with instruction, student services, and general campus operations. Even if SCC has to move to blended or remote classes, SCC will still maintain our facilities, and will still pay the faculty who are delivering instruction and the employees who are providing services to students. Your tuition and fees make this possible.
- No student will be allowed to register for the next school year until all financial obligations are current.
- A parent who becomes seriously delinquent in the payment of tuition and/or fees will be required to withdraw the student from SCC.
- No student will be allowed to try out for the SCC cheerleading squad, Starstepper Dance Team, Drumline, or athletic team if the student's tuition is not current and their registration for the 2023-2024 school year is not paid in full.
- No SCC Cheerleader, Starstepper, or Drumline member will be allowed to perform, travel or compete if her tuition is not current. No Archbishop Chapelle High School athlete will be allowed to participate in an athletic event if her tuition is not current.
- We also want you to know that we are committed to protecting our student's health and well-being as much as possible throughout the pandemic, but doing so also increases our costs. We have added technology to many classrooms to allow for engaging online classes, vastly increased the amounts of cleaning and sanitation supplies to meet CDC medical cleaning guidelines, provided technology assistance to faculty, added signage to buildings to help with traffic flow and physical distancing, modified classrooms and buildings to provide for physical distancing and less exposure to others, and more.

Fees/Fundraising

- Please refer to the "Tuition Letter from Principal" on the school's website tab for "parents" for information on any fees for the 2023-2024 school year. Any student who has not paid his/her registration fee for the 2024-2025 school year will not be allowed to try out for cheerleader or dance team or participate in any spring sports or activities related to the next school year.
- Tuition and fees do not cover the entire cost of educating each student. Successful fundraising drives help keep tuition costs at a minimum. Parents and students are encouraged to assist and participate in fundraising activities.

Financial Assistance

- Through the generosity of allocations in the school's operating budget, St. Charles Catholic High School provides financial assistance each year to families in need. Financial assistance is awarded annually to students who are registered for the coming year and have qualified based on financial need. Parents/guardians must apply for financial assistance within the time set by the administration. The assistance applies to tuition only and not to registration and fees.

Procedures for Financial Assistance

- The student first must be accepted to St. Charles Catholic High School. The parent or guardian should then complete the financial assistance application packet found on the school's website.
- The application is for the coming academic year. It must be completed and submitted to the processing agency, along with appropriate documents.

- The application is reviewed by the processing agency who makes recommendations directly and confidentially to the principal.
- The amount of assistance is certified by the principal.

Student Insurance

- The school cannot assume responsibility for injuries sustained by students. SCC has student insurance, which provides reimbursement of medical bills secondary to primary coverage for accidents occurring on school premises or while participating in school-sponsored activities. It is the responsibility of parents or guardians to provide primary coverage for the student. If there is a balance due after individual coverage has been paid, the school policy will pay the balance. All accidents are to be reported immediately to the office, and the required claim form must be filed within 90 days with the insurance company by the parents and the attending physician.

Curriculum Plan

- St. Charles Catholic High School operates a four-or-five-year program. Students will not be allowed to graduate before completion of 12th grade. All graduating seniors in good standing will participate in graduation ceremonies.
- Each SCC student must earn 26 units to graduate. Students are required to take the religion course prescribed for each grade level they attend at St. Charles Catholic High School. Students are required to schedule an appropriate math course each year. Before graduation, students are required to schedule either the physics or environmental science course according to each course's prerequisites.

Teachers are allowed to recommend schedule changes for academic reasons.

Religion Program

- Education in the living and learning of the Roman Catholic religion is considered the most important aspect of life at St. Charles Catholic High School. The Religion Department's course offerings are structured to cover the basic elements of the Roman Catholic faith as rooted in Sacred Tradition. It is expanded through the life and teaching of the Church. It is expressed in the witness of those lifestyles rooted in the Catholic faith experience.
- As young Christian adults, the students are encouraged to exhibit Christian behavior at all times. They are encouraged to build genuine Christian friendships with one another. They are helped to understand the value and strength, which come from common goals. They are led to appreciate the bond, which is formed in and through Christian prayer and liturgy. The expression fostered in the classroom is directed toward a deeper experience of community which is found in the various religious services and retreat programs which are offered throughout the year. The religion program constantly holds before the students' view the call of Christ to be of service to others. Through the "Service Project," the students are exposed to the kinds of services that are practical and possible for young men and women to aid in

their religious education and faith development.

St. Charles Catholic High School Service Project Program

Information Guide

- **Philosophy:** The best way to spread the Good News of Christ to the world is to live the Good News of Christ in our daily lives.
- **Goal:** To enable each student of our St. Charles Catholic community to serve others and fulfill the commandment of Jesus to love one another as He has loved us.
- **Requirement:** All students are required to serve a minimum of 15 hours of service in order to pass Religion.
- **Due Date:** All service hours are due no later than **March 22, 2024**. Failure to meet this deadline will mean a **double letter** grade reduction. Any student not completing the service hour project by 4th quarter exam time will receive an “F” for his/her religion course and will not be allowed to return to SCC unless the project is completed by August 1st. To make up the service project over the summer, the student must do 30 hours. The grade for summer make-up will be a 70D.
- All service hours must be pre-approved. You have been provided with a list of pre-approved projects with quality point values. **Any other projects must be approved by turning in a written request to your religion teacher prior to performing the service.**
- There is a reward system for those students who feel called to go beyond the minimum hours. The service project grade will count 20% toward your fourth quarter grade in religion. Your teacher will provide more information to you.
- **Service hour verification forms MUST be signed by the coordinator of the project or non-profit organization, and the final verification sheets may only be turned in to student's religion teacher. Service hour forms will not be accepted in the office at any time and will not be accepted unless signed and fully completed and returned to Religion teacher.** ‘**
- Some reasons for service projects not being approved would include the following:
 - The organization is in business for profit.
 - The service would monetarily profit the person doing the project.
 - The service is seen as exploiting the person doing the service.
 - The service takes place during a school day.

Service Project Grade

- All students will receive a grade on their service project that will count for 20% of the fourth quarter grade.

Grade Calculation

- The grade received on a service project is determined by
 - The quality points assigned to projects as indicated on the Pre-Approved Service Project List.
 - The number of hours of service provided.
 - Bonus received from the service project incentive program.

1500 points = A

1125 points = B

Less than 1125 points = F

Note: see Pre-Approved Service Project List for point scale

Service Awards

10,000 points = Golden Service Award

6,000 points = Silver Service Award

3,000 points = Bronze Service Award

➤ *Average 100 hours per year between 9th and 12th grade = Pope Francis Award*

Quality Points and Grade Equivalents:

➤ Bonus Points

- 500 Points if minimum number of hours are reported before September 8, 2023.
- 300 Points if minimum number of hours are reported by the Friday, January 26, 2024.
- 200 points if minimum number of hours are completed with CYO.
- 200 points if minimum number of hours are completed with your parents serving alongside of you.
- 100 points if minimum number of hours are completed with Church parish (not added to CYO bonus).

NOTE: This is not an exhaustive list. Any project not on the approved list must get prior approval to be used for service hours.

Any service hours done for an organization in BUSINESS FOR PROFIT WILL NOT BE ACCEPTED.

Grades Online

- Students and parents are responsible for checking grades on SCC's internet service. If a parent has a question about a grade, he or she can email the instructor.

Report Cards

- Report Cards are issued electronically at the end of each of the four nine-weeks periods. These report cards will indicate grades earned during the past grading period, attendance record, and comments from each teacher.

Term Paper Policy

- Each year students whose English teacher requires a term paper must complete the requirements for the term papers to an acceptable level. Students who fail to fulfill this requirement by June 30 of their current school year will not be allowed to return as a student to SCC for the following school year.

Procedures for Averaging Grades

- Exams will account for one-fourth of the entire nine-weeks' grade.
- To obtain averages for one-unit courses, average the first, second, third, and fourth nine-weeks numerical grades and then convert the final average to a letter grade using the scale below.
- The minimum grade allowed to academic or standard students will be a 55 F in the first two nine weeks periods. Any grade lower than a 55 F in the final two nine-weeks periods is recorded as is. (*Teachers may use professional discretion to make a request to the Assistant Principal of Academic Affairs to void the standing grade if they feel the student is not deserving of such an allowance.)
- A student who has a passing numerical FINAL AVERAGE but does not pass the fourth quarter will receive an "I" until the student has successfully completed the requirements during the St. Charles Catholic Remediation Program.

Grading Scale Honors/Advanced Placement/Academic/Standard

All Phases	Letter	Unweighted Quality Pts.
90-100	A	4 points
80-89	B	3 points
73-79	C	2 points
67-72	D	1 point
66 and Below	F	0 points

- Students will receive grades at the end of each nine-weeks period and must still maintain a passing grade in the final nine-weeks grading period of each course. If a semester course is taken the first semester and a student fails the second nine-weeks, the student fails the semester course. Should a student earn a grade of F in the fourth nine-weeks period but have a passing numeric average for the year, the student will receive an “I” until requirements in the St. Charles Catholic Summer Program is met. No 1/2 credits will be issued. Final grades are obtained by averaging the numerical scores for all 4 nine-weeks.

Academic Probation

- Academic probation is a temporary status that provides a student the opportunity to acknowledge his academic difficulties while working toward academic success. A student is placed on academic probation if he does any of the following:
 - fails two or more subjects in any nine-weeks grading period
 - violates the school's Academic Honesty Policy
- The probationary period will be set for one quarter.
- A student on academic probation will meet regularly with the guidance counselor, develop a plan of action for improving his/her grades, and implement the plan under the counselor's supervision. After the probationary period, if the student has demonstrated measurable evidence of academic improvement, he will be removed from academic probation. If the student shows little or no improvement, the assistant principal may extend the probationary period for another quarter. If a student remains on academic probation for more than 2 quarters, the student will not be allowed to remain at St. Charles Catholic High School.

Class Rank

- To determine class rank only, a point system is used.

	AP/Dual Enrollment	Honors	Academic/Standard
Grade A	5.5	5.0	4.0
Grade B	4.5	4.0	3.0
Grade C	3.5	3.0	2.0
Grade D	2.5	2.0	1.0
Grade F	0.0	0.0	0.0

- Yearly averages are used to determine the grade point average. All courses taken at SCC for high school credit are averaged to determine class rank.
- A student must have attended SCC for at least four **consecutive** years to be eligible for the **Top Ten ranking** and for the **titles of valedictorian and salutatorian**. No off-campus courses or online courses taken off-campus outside of the regular school day will count towards class rank, nor will they be allowed to give students an advantage for class rank. Only online courses taken on the St. Charles Catholic High School campus during regular school hours will count towards class rank. **NOTE:** If a student has not attended St. Charles Catholic for four **consecutive** years and his/her GPA would qualify him/her for the Top Ten; he/she will be considered an Honor Graduate.

- A student who earns 3.0-3.49 for a 9 weeks grading period with no “C’s” will be named to the **Beta Honor Roll**.

****Students who make either list for all four 9 weeks grading periods will be honored at the end of the year awards ceremony.*

Make-Up Work

- Work missed on days absent must be made up within the number of calendar days missed. Responsibility for making up work lies entirely with the student. Normally tests must also be made up within the number of calendar days missed. In the event of extended absence or numerous tests missed during an absence, students must meet with the various teachers involved to schedule making up the work. Anyone not completing work within the allotted time automatically loses credit for that work. Continuous absences on test days could result in a student losing the privilege of making up the test. If a student is absent on the test day only and the test was announced in advance, the student must take the test upon return to school.
- It is important to note that during this time of COVID-19, students and teachers will work together to be sure that all assignments are completed in a timely manner. Furthermore, should a student be quarantined for any length of time, that student may be required to participate in remote learning and complete all assignments through the Google Classroom platform. These situations will be handled on a case by case basis.

Parent-Teacher Conferences

- If a parent would like to request a conference with a teacher, an appointment should be made in advance by contacting the teacher via email. At the time of the appointment, the parent should report to the office. The teacher will be notified of the parent's arrival.

Guidance, Counseling, and Testing Services

- A full-time guidance counselor is employed. Through counseling interviews, parent conferences, teacher conferences, and other group techniques, students are assisted in all of their attempts to deal with their vocational, educational, and personal-social needs. By signing the handbook agreement, parents give permission for their child to participate in counseling services provided by SCC. St. Charles Catholic High School will adhere to the following guidelines regarding counseling. If there is evidence of a student being a victim of sexual or physical abuse or if a student tells the counselor or someone else that he/she plans to harm himself/herself, then the counselor has a moral, ethical, and legal obligation to report such disclosures to the proper authorities, including the principal and assistant principal.
- Standardized tests are administered to provide information necessary for admissions screening, course selection, college entrance, and career aptitude. Tests commonly used include Preliminary Scholastic Aptitude Test/ National Merit Scholarship Qualifying Test, and the American College Testing Program.

The guidelines are strictly for the purpose of maintaining a quality academic and Christian atmosphere. The purpose of SCC is not simply the development of academic skills. **The school wishes to demonstrate the importance of values such as courtesy, respect, humility, concern for others, honesty, integrity, and trust.** The ultimate goal is developing individuals who are capable of responsible freedom and who exhibit healthy attitudes toward life and others. The following guidelines are not supposed to be exhaustive; they assume good will and judgment on the part of the students and parents.
- Courtesy toward the faculty and school personnel is always expected.
 - Items which interfere with the learning atmosphere are forbidden anywhere on campus. These include such things as radios, CD players, iPods, and other technological items that interfere with the learning environment. Included on this list are water pistols, fireworks, beepers, weapons of any kind, tobacco, vapes, alcohol, and drugs or drug-related paraphernalia.

This includes but is not limited to the following:
 - Think before you post.
 - Students, parents, and family members may not use disparaging digital video records of the SCC community members either on campus or at off-campus events without the participant's consent.
 - Students, parents, and family members should not post anything personally compromising and/or that could then be linked to the School.
 - Students and parents should not post any behavior that might embarrass themselves, their families, their teams, and/or SCC. This includes activities conducted online, before, during or after school hours.

- Within the guidelines of the disciplinary procedures and regulations set forth by the school and in this handbook, each teacher sets specific procedures, rules, and regulations within his/her classroom. Students are expected to abide by these in an atmosphere of mutual respect. Students who choose not to behave in this manner are subject to disciplinary procedures, which may include removal from participation in athletics and or/co-curricular activities for a period of time to be determined by the Administration.

Behavior Guidelines for Blended and Remote Learning

- Create and organize your learning environment at home to get your mind ready for learning. It is important to organize the learning environment in order to be prepared to do your best with instruction and assignments given.
 - **Find Your Quiet Place.** Students should find a quiet, appropriate place in their home to “attend” class. Find a place where you can sit with minimal distractions in the background. Suggestions include sitting at a desk or table, not a bed or bathroom. Be sure that the background is free from distractions and does not include political or immoral content.
 - **Minimize Distractions.** You will need some quiet and privacy to concentrate on your classes. Keep noise from home at a minimum. This would include TV, music, or background conversations. Cell phones should be off and out of reach during remote class times. Cell phones should also be off when participating in office hours and schoolwide Masses.
 - **Be Prepared.** Make sure to have all materials needed for class prior to beginning of class time. Make sure that you are logged in to your class session ready to begin on time.
 - **Dress Guidelines.** Please wear an SCC t-shirt and be neatly groomed for all online sessions. Hoodies, hats, and scarves are not allowed during remote learning.
 - **Use Proper Writing Style.** Our virtual classroom is a professional environment. As such, it requires us to use correct spelling and grammar. Our comments in our chat should follow correct academic writing. Comments in the chat box should be limited to content being presented.
 - **Respect Others.** Our virtual classroom should be a safe place for all of us. Just as if we were in our classes at SCC, we are to treat every person with respect. Derogatory and sarcastic comments or jokes are unacceptable. Please know that all online courses will be recorded.
 - **Do the work assigned to you.** Working remotely means that you will need to make an effort to do your work without letting yourself get distracted. You will be required to show how well you understand what you are learning. This may take the form of participation in discussion boards, homework, quizzes, tests, or projects. Students will be held accountable for work assigned.
 - **Reach Out.** If you are having difficulty with your learning environment, home internet, or lessons being taught in our remote learning classes, please email your teacher or our school counselor.

Cell Phones

- The only electronic devices allowed during the school day are the school issued iPads/MacBooks and a cell phone. The cell phone is to be turned OFF and stored in your locker or school bag during school hours from the moment you walk in the school doors (including in the Commons before and after school, lunch time, or between classes). Any phone seen in a pocket or out of a school bag will be confiscated. Blue tooth headphones, including Air pods/smart watches/Fit bits are not allowed. Use of a cell phone/electronic devices/smart watches/ Fit bits during a test (i.e. text messaging, ringing phone) will be considered cheating and appropriate action will be taken. “Forgetting” to turn off the cell phone is **not** an excuse. Air pods should never be brought to school.
- **Cell phones must be turned off during the school day, and should not be turned on until you have exited the school building.**
- Students may not use their cell phones to take pictures inside of the school building.
- Cell phone checks will be made throughout the school year.
- **1st Offense:** If a student is found with a cell phone during the school day, the cell phone will be picked up by the teacher, and the Dean of Students will be called to retrieve the phone. THE PARENT/GUARDIAN WILL BE CONTACTED AND A TIME WILL BE SET UP FOR THE PARENTS TO COME PICK UP THE PHONE. Student will receive 2 morning detentions.
- **2nd Offense:** The second time that a student is in possession of a cell phone during the school day, that student will receive 1 Saturday morning detention as well as THAT STUDENT BEING DENIED THE RIGHT TO BRING A CELL PHONE TO SCHOOL. The cell phone will be confiscated, and the parent will need to claim the phone from the Dean of Students.
- **3rd Offense:** Once a student has been denied the right to bring a cell phone to school, but does so anyway, he/she will be suspended for one day out of school.
- **4th Offense:** Three day out-of-school suspension, and student and parents appear before the Discipline Committee to determine whether or not that student will be allowed to remain at SCC.

St. Charles Catholic High School cannot and will not accept responsibility if cell phones are brought onto the school grounds and are damaged, lost, and/or stolen. Students are allowed to use the office telephone. Cell phones may be used outside the building after school hours. It is strongly suggested by administration that cell phones remain at home or locked in the student's car.

Social Media and Appropriate Online Behavior

- In summary, students must maintain a proper decorum while using social media and any electronic device. All social media posts and/or digital communication (including text messages) must uphold the ideals of a Catholic High School. Any production, distributing, or viewing of inappropriate, sexually suggestive or pornographic images is strictly prohibited. The school may be obligated to contact law enforcement in situations involving inappropriate images of individuals who may be under the legal age of consent.

Offenses meriting a **SUSPENSION**

- Some conduct violations result in immediate suspension. A student may be suspended from school at any time for one or more days, depending upon the severity and repetition of the offense. Before a student is sent home, a parent or guardian will be notified. On rare occasions in place of an out-of-school suspension, a student will receive several detentions or other discipline, which **will be identified as an IN-SCHOOL SUSPENSION**.
- When a student receives an out-of-school suspension, he/she is not allowed to attend school, will receive 0's in all work missed, and will be counted **absent**. A student cannot participate in athletic competition or practice or any other extracurricular activity while on out-of-school suspension. (Since an in-school suspension may involve more than one day, a student is forbidden from participating on the first day of the suspension.)
 - After **two (2)** suspensions, the student may go before the discipline committee.
 - After **three (3)** suspensions, the student may be asked to withdraw from school.
- **Suspendable offenses include:**
 1. Destruction of school property (includes writing on desks, picnic or cafeteria tables, walls, etc.)
Discipline for this type of offense may include:
 - 1st offense - Out-of-school suspension
 - 2nd offense - Referral to the Discipline Committee/Probation

 9. Frequent detentions
 10. Continuous failure to report to detention on assigned days without acceptable excuse
 11. Careless or reckless operation of motor vehicle on campus
 12. Insubordination/disrespect
 13. Gambling

 15. Possession of inappropriate literature, pictures, and images on campus or on school assigned iPads.
 16. Internet code violations. (See Technology Policies)
 17. Bullying and/or harassment.
 18. Disrespect or disobedience to administration, faculty, or staff.
 19. Inappropriate behavior at assemblies, fire drills, or other school functions.
 20. Any other behavior considered by the dean of students to be inappropriate or disruptive.
 21. The sale of any goods or products on school grounds.

Because not all violations can be covered here, the rule of common sense will apply to any offensive behavior not listed above. The dean of students or his designee will, at his discretion, determine the time, place, and length of any detention or task to be performed.

Offenses meriting an EXPULSION

- Expulsion is the most serious behavioral consequence. The following will be grounds for expulsion from SCC:
 1. Stealing on or off campus
 2. Promoting the use of, bringing, using, selling, buying, possessing, smelling of, or being under the influence of items such as marijuana, inhalants, stimulants, depressants, hallucinogens, narcotics, other designer drugs, or any mood-altering substance either on the campus, at any school-sponsored activity, or off campus

Any violation of civil or criminal law that adversely impacts the well-being of the school or its good name or reputation, or adversely reflects upon the moral, religious, or principles of the Roman Catholic Church, or the policies, goals, and statements of SCC as indicated in the Student Handbook.
 7. Disgraceful public conduct
 8. Excessive harassing or threatening of any student or any school personnel
 9. Vandalism
 10. Frequent suspensions
 11. Flagrant disrespect on or off campus
 12. Possession or use of weapons or instruments with the intent to do bodily harm
 13. Any involvement or membership in a gang or gang activity
 14. Any activity, action, or behavior, which violates the spirit of the above listed regulations

Should any of these actions take place, a student may be asked to withdraw from St. Charles Catholic High School.

Dismissal

Any involvement in the following behaviors may result in a student's immediate referral to the principal and his/her dismissal from school:

- The on-campus possession of illegal drugs, including synthetic drugs (regardless of the amount), or drug paraphernalia (pro-drug literature, pipes, clips, papers, etc.). This interdict also involves being in the presence of others who have or are using drugs or marijuana. This includes the distribution of a student's prescription or a "look-alike" or synthetic drug to another student.
- Any violence, act of terrorism, threat, bullying or harassment directed against another or another's property, whether student, staff, or faculty. This covers any manner or forms of such behavior including but not limited to vandalism toward automobiles and homes or written, voicemail, texted, emailed messages, or through such websites as Facebook, YouTube, Instagram, Twitter, etc.
- Any activity, on or off campus, which seriously jeopardizes the learning environment of the school or which seriously injures the good name and reputation of the school.
- Stealing
- Possessing a firearm on campus or bringing a firearm on campus, including in vehicles. NOTE: LA.R.S. 1495.2 of the Louisiana Legislature created the crime of the carrying of a firearm by a student or non-student on school property.

Disciplinary Probation

- A Student who repeatedly engages in inappropriate conduct may be placed on disciplinary probation, the terms of which are set by the Dean of Students.

Safe Environment Training

- All SCC students participate in Safe Environment training classes required by the Archdiocese of New Orleans. These classes are taught in religion. These classes make the students aware of the proper way to talk to and treat others and to know how they should be treated by others.
- All faculty and staff of SCC receive Safe Environment training from the Archdiocese. Students who work during the year with younger children (mini-camps, etc.) MUST go through additional training offered by the Archdiocese.

Bullying

- As Christians and in support of our mission, we believe that all persons are created in the image of God and have dignity and worth. Additionally, federal and state laws prohibit racial, ethnic, religious, age, or sexual harassment of any student.
- St. Charles Catholic High School does not tolerate any form of bullying, harassment, disruption of the educational process, or interference with another's educational environment, which creates an intimidating, offensive, or hostile educational environment. All students and employees are to be treated with dignity and respect. Bullying or harassment of another person of either gender in any form is prohibited. The prohibition against bullying and harassment applies to all students, employees, and volunteers in the school building, on school property, or at any time while representing the school.
- St. Charles Catholic High School is committed to a zero-tolerance approach, which means that any and all witnessed or reported incidents of bullying or harassment will be addressed appropriately, which may include conferences with students and parents, conducting an investigation, the requirement of outside counseling, and taking disciplinary action as warranted (detention, suspension, expulsion) by the severity of the situation. Prohibited bullying and harassment are defined as, but are not limited to, the following behaviors:
 - ***Cyber bullying / harassment***
This type of bullying/harassment includes, but is not limited to, offending, harassing, or threatening others through technological means, including email, instant messages, web pages, blogs, video and digital photo images, and/or text messages; it is considered inappropriate speech when it involves:
 - using obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful messages;
 - posting information that could cause damage, danger, or disruption of the educational process;
 - making a personal attack, including prejudicial or discriminatory attacks;
 - posting false or defamatory information about a person;
 - using technological communication to intimidate, bully, harass, or embarrass others
 - ***Hazing / harassment***
Hazing refers to any activity expected of someone joining a group (club/team) that humiliates, degrades, or risks emotional and/or physical harm, regardless of the person's willingness to participate (StopHazing.org).
 - ***Physical bullying / harassment***
Physical bullying/harassment includes unwanted physical touching or contact (such as shoving, pushing, bumping, hitting or slapping, tripping, poking, kicking, scratching) assault, deliberate impeding or blocking movement, or any intimidating interference with normal movement or work; it may also include damaging or destroying another's belongings or property; it also includes physical acts that are demeaning and humiliating but not bodily harmful.

- ***Social / relational bullying / harassment***

This type of bullying/harassment is defined as the systemic diminishment of another's sense of self and/or damaging the social status, relationships, or reputation of another through:

- ignoring, isolating, excluding, or shunning;
- participating in a pattern of behavior in which a student or a group of students picks on another student or treats him/her in such a way that makes him/her feel uncomfortable or alienated;
- spreading false and/or malicious rumors;
- gossiping or revealing personal information;
- embarrassing or publicly humiliating another.

- ***Verbal bullying / harassment***

This type of bullying/harassment includes, but is not limited to, the following, whether in oral or written form:

- making derogatory comments, jokes, slurs, off-color language, or innuendoes;
- using belligerent or threatening words towards another student or employee;
- name-calling, sarcasm and put-downs, mocking, belittling, hurtful teasing, taunting.

- ***Visual bullying / harassment***

Visual bullying/harassment includes derogatory, demeaning, or inflammatory posters or locker signs, cartoons, written words, drawings, video or photographic images, novelties, or gestures (including subtle gestures such as aggressive stares, eye rolling, sighs, frowns, sneers, snickers, and/or hostile body language).

Retaliation

- Retaliation includes intimidation, coercion, discrimination, or retaliation in any form against an individual who reports or threatens to report harassment or who testifies, assists, or participates in an investigation.

Student Honor Code

- In order to promote and encourage students to uphold the school code of academic integrity during the course of the school year, all teachers at St. Charles Catholic will include a statement in regard to honesty and integrity in their discipline policies. Whenever a student signs his/her name to an assignment, it is understood that he/she agrees to uphold the academic integrity of SCC by choosing to complete the assignment without cheating in any way. This will be considered a confirmation of his/her commitment to academic integrity. Our hope is that emphasis on upholding this standard will discourage cheating as an option.

Destruction of School Property

- Many improvements have been made to the physical plant at SCC. It is very important that the facilities are maintained. Since maintaining our facility and its resources is already a costly endeavor, this type of activity only adds to expenses, which in turn becomes more of an overall financial burden to the school. The administration asks for full support from parents in discouraging this destructive behavior.

Probation

- A student is put on ***Disciplinary Probation*** because of a serious violation of school rules and/or establishes a pattern of misbehavior at school. Such consistent breaking of school regulations should be considered seriously by the student, his/her parents or guardians, and the administration before the student can be allowed to continue at SCC. Such a student will be on probation for one year, during which time he/she must prove good faith by adhering to all school rules. If the student breaks his/her probation, the student will be asked to withdraw from the school. ***A student who is on probation cannot be a Student Council***

member, a class officer, or hold an office of any club at SCC.

1. A student may be placed on ***Academic Probation*** for failure of two or more subjects during one grading period, a lack of effort in classes, or whenever the administration feels it is in the best interest of the school or the student.

Drug Testing Policy

- St. Charles Catholic High School reserves the right to require mandatory drug screening tests of any student who displays a behavior associated with drugs or suspected drug use, such as marijuana, inhalants, stimulants, depressants, hallucinogens, narcotics, designer type drugs, or any other mood-altering substance. This policy also applies to the use of or being under the influence of alcoholic beverages. The student will be asked to begin mandatory drug counseling within ten (10) days of the conference; and it must be at the parents' expense with a licensed and/or certified psychiatrist, psychologist, drug counselor, and/or social worker.
- The drug-screening program for this school year will consist of random screening of the student enrolled in grades eight through twelve. These students will be selected randomly or by reasonable suspicion. Hair sampling will be the method used and will be performed by St. Charles Catholic High School personnel. One of the nation's leading drug testing companies, Psychemedics Corp., will test the cortex of the student's hair for detection of the presence of five illegal drugs. This test can detect illegal drug use in the last 90 to 100 days and present a pattern of drug use, indicating the type and quantity used. No other drug screening company will be accepted.
- NOTE: Any student willfully attempting to evade the drug test by shaving, cutting or altering the hair, both head or body, in any way, unless hair loss is the result of a diagnosed medical condition, will be considered a refusal to test; and the student will be asked to withdraw from St. Charles Catholic High School immediately.
- If a student tests positive for illegal drugs, he and his parents will have a conference with the Dean of Students and the counselor.
- The student and the parents of the student are required to undergo mandatory drug counseling and must waive any right to confidentiality only to the extent that the counselor shall be required to notify St. Charles Catholic High in writing when the student begins counseling and if the student terminates counseling prior to the time deemed appropriate for termination by the counselor. Records of the school, including but not limited to such records which the counselor provided to the school, may have to be produced based on an order of a court of competent jurisdiction. After an appropriate period of time, the student will be retested. Testing positive for a second time or at any future point in the student's stay at St. Charles Catholic High School will result in asking the parents to withdraw their son/daughter. If the parents refuse to withdraw their son/daughter, he/she will be subject to expulsion.
- For the school year, the school will pay the screening costs for those students randomly selected. If the student requires a second screening, the parents must pay the expense. Other than the random selection, if the school has reason to ask that a student be tested or if parents would like to voluntarily have their son/daughter tested, the test will be at the parents' expense.
- Prevention of any type of substance use is for the protection and support of the students at St. Charles Catholic High School who choose not to use and want to be in safe learning environment.
- A balanced program of random, voluntary, and mandatory drug testing impacts the entire school community by setting a norm that says it is necessary to take care of one's health and the acceptance of responsibility to obey federal and state laws, as well as school regulations.

Narcotics Disguised as Novelty Items

- Any type of food or drink that is affiliated with narcotic paraphernalia is not allowed. For example,

(including but not limited to) candy that is sold with references to marijuana or any other illegal substance, synthetic or otherwise; water or other food products that have any logos, emblems or other insignia that advertises it may be a drug novelty item.

- If students are caught with these items, they face expulsion from school. Any items mentioned above will be turned over to the St. John Parish Sheriff's Office for narcotics testing. St. Charles Catholic High School makes no delineation between real, fake, or synthetic narcotics.

Discipline Committee

- A select group of faculty members will be appointed at the beginning of the school year by the principal to serve on a Discipline Committee. These committee members, along with the Assistant Principal and the Dean of Students will serve in an advisory capacity in matters of serious rules violations. The committee will make recommendations to the Principal, who will make the final decision.

No Private Domains

- There are no private domains at SCC. In order to safeguard the moral and physical welfare of all students, all spaces, which include students' lockers, students' desks, etc., and all property, which includes students' purses, book bags, PE bags, student vehicles, etc., are subject to inspections. Any materials obtained may be confiscated for use in disciplinary procedures.

School Initiated-Withdrawal

- A student may be subject to a school-initiated withdrawal for any conduct, whether during or outside of school, which is of such a nature as to jeopardize the good name of the school community, or offensive to members of the SCC community, including students, teacher, and staff.
- In situations that warrant withdrawal, the Principal will meet with the student and parents. Any student who is required to withdraw from SCC may not attend any school-sponsored activities (dances, prom, athletic events, etc.).

Parent Initiated-Withdrawal

- Any parent that wishes to withdraw a student from St. Charles Catholic must complete a Withdrawal Form in the Front Office.

School Dance Guidelines

➤ Admissions and Attendance

- To ensure the success of the dance and justify the time, effort, and money expended for each dance, those participating are expected to attend for at least two hours. No one will be allowed to enter the dance any later than 30 minutes after the dance has begun nor leave any earlier than 30 minutes before the dance ends.
- Unusual circumstances that would necessitate an exception in the arrival or departure time must be cleared through the Principal.
- Once a student leaves the school premises, the school is no longer responsible for his/her safety or whereabouts. Once someone leaves the dance, he/she may not return.
- All students will sign in upon arrival and will sign out if leaving prior to the end of the dance.
- No dance will last beyond 12 midnight.
- Only SCC students and their dates may attend as long as they both enter at the same time.
- Students who bring an out-of-school guest must pick up a "Dance Permission Form" from the Dean of Students and have this completed and turned in by the due date stated on the form. Failure to meet

the deadline will negate your privilege of bringing an out-of-school guest.

- In particular, girls' apparel at dances should reflect modesty. Any outfit that is considered lacking in modesty will result in that student being asked to leave the dance.

➤ **Conduct Before and During the Dance**

- The possession and/or use of alcoholic beverages or illicit drugs are strictly forbidden. Anyone suspected of violating this rule will be expelled from the dance. The students involved will be subject to expulsion. If not an SCC student, he/she will be excluded from future functions. Parents will be notified.
- Smoking is a violation of the city fire code for gymnasiums and cafeteria and, hence, is not permitted in the gym or cafeteria or anywhere on campus.
- Students are to uphold Christian conduct in the way that they dance. Any vulgar or illicit dance styles are not acceptable. We must not forget our call to honor each individual with respect in the way that we celebrate during dances.
- Pre/Post activities: We realize that activities before and after dances are a normal part of everyday life; however, we do ask that students and parents be mindful of the following guidelines:
 - ✓ Expenses should be kept to a minimum.
 - ✓ Activities involving the serving of alcoholic beverages to minors is a serious violation of civil and school rules.
 - ✓ Dance admission times must be observed.
 - ✓ Guidelines for guests must be adhered to.

Any clothing advertising sex, drugs, alcohol, or violence will not be accepted. Non-SCC students who do not meet the dress requirements will not be admitted, and no refunds will be given. SCC students are responsible for informing their guests of the dress guidelines.

Attendance

➤ **Absences**

- Progress at school depends largely on the punctuality and regularity of attendance. As such, we urge that students be absent only in cases of illness or a death in the family. If a student is to be absent, a parent or guardian must call the school (652-3809) between 7:00 a.m. and 8:00 a.m. the morning of the absence. Should a student be absent during a remote learning day, a parent or guardian should notify by the school of their child's absences and submit appropriate documentation regarding the absence(s). Absences are recorded by the school personnel into our student information system.
- When a student returns to school, he/she must bring a written excuse from home. If a student forgets his/her note, parents will be called and informed that, if a note is not sent to school the next day, the student will receive a detention. *Medical appointments should be made after school hours or during holidays.*

If a student misses any time from school, he/she will be marked absent. This absence will be listed as Unexcused until that time that documentation is presented to show otherwise.

1. Excused Absences-Students will receive an excused absence for the following reasons:
 - a. illness and a medical statement from a doctor
 - b. death in the immediate family (absence not to exceed more than 5 days)
 - c. religious matters (a note must be signed by an authority-minister, priest, pastor, rabbi, etc.)
 - d. other extenuating circumstances approved by the school administration prior to absence if possible.
2. Unexcused Absences- Absences for any other reason other than those listed above are considered

unexcused absences. Examples of unexcused absences may include, but are not limited to, being absent in order to complete homework assignments, term papers, reports, to study for exams, skip out functions, shopping, working on a job, and hairstyling appointments. Such absences are unexcused even with parental permission. **STUDENTS WHO HAVE MORE THAN TEN (10) UNEXCUSED ABSENCES IN A YEAR WILL NOT RECEIVE ANY CREDIT FOR ANY COURSE DURING THAT SCHOOL YEAR.** Make-up work will not be allowed for any unexcused absences. Excuses must be turned in within two (2) days of the absence, or it will be considered an unexcused absence.

Note: Students who were ill but do not have a doctor's statement will be allowed to make up work with a note from their parents, but the absence is still considered UNEXCUSED.

3. If a student misses **more than 3 periods**, he/she will be marked a full day absent. If a student misses **ANY** time (whether 5 minutes or an hour) of 1-2 periods during the school day, he/she is considered ½ day absent. *A period includes classes and approved activities such as Masses, assemblies, and Pep Rallies.
4. Students must attend 3 **FULL classes** to be eligible for extracurricular activities (both practice and games). If a student is not present for the 3 full classes but is present part of the school day and has an **excused absence**, he/she will be eligible for extracurricular activities. If a student becomes ill at school, the Attendance Clerk will notify parents or relatives.

➤ **Morning Tardy (7:30-7:45) (9:00-9:15 on Thursdays)**

- Students who are not seated in their first period class by 7:30 a.m. will be sent to the office. Students who arrive any time between 7:30 a.m. and 7:45 a.m. should report directly to the office to obtain a Morning Tardy Slip.
- For every three (3) MORNING TARDIES, a student will be considered a half day absent. Students will receive a detention on their 5th MORNING TARDY and on every MORNING TARDY thereafter for the remainder of the school year.

THIS DOES NOT START OVER EACH QUARTER or SEMESTER.

If a student shows up late for a detention, he or she must make it up in the form of multiple detentions.

If a student continues to be habitually late, further disciplinary action will be taken.

➤ **Leaving School Early**

- If it is necessary for a student to leave school for **any part of the day**, a parent or guardian of the student must speak with the Attendance Clerk. The principal or an assistant principal will then decide if the student may leave the campus. However, students may not sign out during last period prior to 2:30 p.m. without being considered ½ day absent.
- Students are not allowed to leave campus for lunch unless a designated off-campus lunch has been announced for a particular group. In that case, students must bring a permission slip signed by a parent.

➤ **Between Class Tardies**

- Between class tardies are cumulative and will require students to receive a Non-Negotiable Slip and report to the Dean of Students in the library at the **END of the DAY**.

Students will receive a detention on their fifth class tardy and every tardy thereafter for the remainder of the school year. THIS DOES NOT START OVER EACH QUARTER or SEMESTER.

Cafeteria

- The Federal Lunch Program is provided by the school cafeteria. All students are encouraged to participate. All students bringing lunch to school must abide by the cafeteria regulations. **No student may bring canned soft drinks.** ENERGY DRINKS SUCH AS RED BULL, MONSTER, ROCK STAR, ETC. ARE BANNED FROM THE SCC CAMPUS. Students are expected to dispose of trash properly and leave their areas clean for the students who come behind them. This is nothing more than **COMMON COURTESY**. All students should conduct themselves in a courteous and orderly manner. **STUDENTS ARE NOT ALLOWED TO HAVE FAST FOOD LUNCHES DELIVERED TO THEM. BREAKFAST WILL BE SERVED DAILY.**
- **ALL STUDENTS MUST HAVE HIS/HER NAMETAG ON DURING THEIR LUNCH SHIFT. STUDENTS WHO DO NOT HAVE A NAMETAG MUST GO TO THE END OF THE LUNCH LINE. THEY WILL BE SERVED LAST.**
- Dispose of all food and drink items before entering the school hallway.

Emergency School Closings

- The following information is given to you in the event that SCC would not have school due to an emergency:
 - When it is announced that all St. John the Baptist Parish schools or all Archdiocesan schools are closed, SCC is automatically included. However, please note that SCC may have asynchronous learning on these days.
 - If any announcement is made on a TV station or another radio station, tune in immediately to our website, check your email, and text messages.

Fire and Other Special Drills

- Fire drill evacuation procedures are posted in the hallways, cafeteria, and gym. Lockdowns and shelter in place drills are also conducted. It is the responsibility of each student to become acquainted with these evacuation procedures:
 1. Total silence must be maintained.
 2. Students must move quickly and quietly to designated outdoor areas.
 3. Windows and doors should be closed.
 4. Students are to remain in the designated areas until the “all clear” signal is given.
- Lockdowns and shelter in place drills are also conducted.

Asbestos Management Plan

- In accordance with the Asbestos Hazardous Relief Act (AHERA), a management plan has been prepared and approved by the State Department of Environmental Quality (DEQ). This management plan is available for you to review in the office during regular school hours. If you desire a copy of the plan, it will be made available to you at the cost of \$5.00 (the cost of reproduction).

- **Transcripts**—One day notice should be given. The first copy is free. One dollar will be charged for each additional copy requested, to be paid in advance.

Student Drivers

- If a student has permission to drive to school, he/she must use the school parking area and observe all campus parking regulations. **Once the student arrives on campus, he/she must leave the vehicle at once and may not enter the vehicle again until school dismissal without permission from a teacher or administrator. He also may not leave campus without permission from an administrator once he/she has parked his/her car. This also pertains to students in detention.** The speed limit on campus is 15 MPH. One-way traffic signs must be observed. Students are only allowed to park in the assigned areas and slots. Students are not allowed to double park, block other vehicles, entrance and exit doors, or gates to the school. **Students who do not park in their assigned spots can be given an Office Detention.** Music must be turned down to a reasonable level when arriving to and departing school.

Car pool Students and Parents

- In order to expedite traffic flow in the mornings and afternoons, a traffic plan known as COMETFLOW is in place, which assists in this matter. *Comet flow directions: Any vehicle coming from the east on Dominican Dr. should enter the east entrance and proceed to drop off just past the Memorial Tower. (Five vehicles can let students off at once if the first vehicle pulls up to this point.) Any vehicle coming from the west on Dominican Dr. should enter on Rue DuBourg and use the rear northwestern entrance and proceed along the western parking lot to let students off just past the delivery doors to the cafeteria.*
- Once the student arrives on campus, he/she may not leave the school grounds without permission from a teacher or administrator until school dismissal. This also pertains to students in detention. In the afternoon, students are to wait for their rides in front of the Commons—they are NOT to hang around the front entrance. All car riders must be picked up daily by 3:15 p.m. SCC does not offer after-care. It is imperative that all car riders are picked up by 3:15 p.m. Please note if pickup continues to be a persistent problem, student may be asked to withdraw.

Textbooks

- Textbooks should be treated with gentle care and respect. Students should cover each textbook to protect it. The student must pay for damaged or lost books.

Visitors on Campus

- All visitors must check in with the front office. This pertains to guest speakers or parents bringing

something to school. Students are not to visit with anyone not enrolled in SCC during school hours, including persons passing by in cars and stopping by school, unless permission has been secured from the Principal. Students bringing guests to classes must get permission from the Principal.

Policy on Married Students, Pregnancies, and Abortion

- St. Charles Catholic is concerned with the Christian moral development of the individual and of the student body as a whole. In a society, which often undermines Christian values and principles, we strive to provide an atmosphere which stimulates and fosters the growth of these same principles. In view of current social values and the unfavorable statistics regarding young and/or immature marriages, married students will not be admitted to SCC nor may they be maintained on school rolls. Pre-Marital sex is not in keeping with the formative and educational goals of the school. For this reason, if a student becomes pregnant or fathers a child, the school will take every means to encourage counseling, continual education, and direction for the student. In light of Christian values, decisions will be reached in order to assist the girl/boy, ensure the life of the unborn, and minimize the concerns of other students and their parents.
- The school administration will give whatever help is possible for the student to complete his/her education, but the student must assume the responsibility of informing the Principal as soon as the pregnancy is known. The parties may be asked to leave SCC since we do not have sufficient means to provide the added counseling and directions which students need. However, each case will be considered on an individual basis, and solutions will be worked out according to individual needs and situations.
- SCC also emphasizes the value and importance of life. Abortion, being the conscientious and deliberate act to end life, is against the teaching of the Roman Catholic Church and is not acceptable. Students who willfully participate in an abortion must immediately leave SCC. All reasonable attempts will be made to complete their education and to participate in counseling.

Statement for Same Sex Attraction

- The Archdiocese of New Orleans respects and follows the teachings of the Catholic Church as we minister to youth who face the complexity of cultural and personal issues of today. As they grow in their understanding of their identity and sexuality, we will provide guidance and parameters founded on the truth that they, as male and female, are created in the image of God and redeemed by Jesus. We will teach respect for the dignity of the human person, recognizing the importance of chastity as we guide our youth in discovering their identity as children of God. We will not tolerate hatred or bullying at any level in our school programs. We set boundaries and policies that help us teach young people to live with relational integrity, showing respect for themselves and one another. Out of respect for the confidentiality of our students and their families, we will not address specific questions regarding a school situation. We will continue to minister to our youth and members of their families during times of struggle as they develop in their understanding of their identity and sexuality.

Best Practices

➤ Locker Rooms and Restrooms

- Locker rooms and restrooms used will be on gender at birth according to one's genetic DNA/make-up. We are created in the image of God. Our dignity in being male or female is both a physical and spiritual reality, which is a reflection of infinite perfection of God.

➤ Sleeping Arrangements

- Persons may not sleep or room with their boyfriend/girlfriend. Additionally, boys and girls cannot share sleeping quarters when at a hotel, camp, overnight facility. All students must maintain the virtue

of chastity and modesty as well so as to avoid scandal and confusion to other students, families and personnel.

➤ **Public Displays of Affection (PDA)**

- Including but not limited to holding hands, long embraces, close dancing, and kissing are not to be displayed while in school or on school grounds.

➤ **Prom/Dances**

- Students who bring a date must identify this person in advance to personnel. It must be a person of the opposite sex. The only other option to attend the dance is to register as a sole participant. All males and females must follow the dress code maintained by their school entity

➤ **Dress Code**

- Boys and girls must wear gender appropriate clothing according to school policies.
- The administration and faculty will make all final judgments on the appropriateness of questionable attire. It is the student's responsibility to inform his/her date of the dress regulations. Anyone who does not adhere to the regulations will not be admitted into the dance.

All staff and chaperones must be trained to understand the importance of following the dress code and the policies of the school at all school-sponsored events.

Vendors, such as photographers, must be accompanied by at least one adult employee or volunteer who is able to assure the safety of the students and the adherence to school policies.

The Student Council

- The Student Council is an organization of official representatives elected by the students to serve the school and the student body. It is the most important student organization; and the respect, understanding, and cooperation of students, faculty, and staff are needed in order for it to function effectively. A president, vice-president, secretary, and treasurer lead the Student Council. These officers, plus the school moderators, comprise the Executive Board. The faculty, class officers, homeroom teachers, and elected school representatives assist them.

2023- 2024 Technology Policies and Procedures

Student Guidelines for iPad/MacBook Air Technology Use

The mission of the Technology Department at St. Charles Catholic High School is to provide a full range of technology services, tools, and experiences to further opportunities for academic excellence, faith development, and leadership. Use of these technologies is a privilege that carries responsibilities and behavioral expectations consistent with all school rules and policies, including but not limited to those stated in school handbooks. It is understood that members of the SCC community will use all types of computing devices and the school network in a responsible,

ethical, and legal manner at all times.

The Technology Department will offer elective courses for students who seek advanced technological expertise.

We believe that technology users will develop good technological skills and habits if they are allowed as much freedom as possible to manage their technology in life. On the other hand, technology tools need to be as failsafe and consistent as possible to ensure their productive use in the classroom and for school communication. The IT Department seeks to balance these sometimes-contradictory needs to develop a policy that supports both.

The technology policy contains standards that foster our mission and goals. The policy is revised yearly to reflect any new technology and issues identified in the previous year. Each year all SCC faculty, students, and staff members must read and agree to abide by these standards:

Network IDs, Passwords, and Security

Students and faculty will eventually be issued password-protected network, email, and, where applicable, application accounts.

Students are not to change the user name domain or workgroup assigned to their computer. It is the responsibility of each faculty member and student to ensure the confidentiality of his or her password. Users should not select passwords that might be obvious to a potential intruder, such as family members' names or a girlfriend's name. Individuals will be held responsible for the information stored or transmitted via their account or equipment even if it resulted from someone else who was given access.

Virus detection and other network security applications are part of the tablet image and must be updated regularly. It is a violation of disciplinary policy for an individual to delete, disable, or prevent updates to these applications.

Individuals are prohibited from any action that will compromise the privacy and/or security of users.

All storage, network communications, equipment, and software provided by St. Charles Catholic High School remains the property of SCC. It reserves the right to access any file, email, network transmission, or other information stored on or communicated through this property. We will do so if a compelling reason arises. The individual has no reasonable expectations of privacy. St. Charles Catholic High School retains the right to monitor network activity in any manner it sees fit.

Students must not mark iPads in any way. They should not remove the SCC iPad identification stickers, nor should they place any stickers on the iPads. This is considered a breach of proper use and serious disciplinary action will be taken if any student is in violation.

All MacBooks and iPads must be kept in the school-provided case at all times. No personal cases allowed. The student is responsible for all repair costs.

NOTE:

1. School issued apps have been applied to your iPad. Additional apps must be approved by the administration and will be installed by the SCC IT Department. Game apps must not be downloaded on SCC administered iPads.
2. Earphones, earplugs, and any other listening devices are not to be used during school hours unless school personnel have given distinct permission to do so for academic purposes.
3. The screensaver must be appropriate and follow all school guidelines and our Catholic ideology.

iPad Responsibilities

It is imperative that each student handles the school assigned iPad with caution, responsibility, and proper care. Any carelessness, abuse, or neglect will be treated with disciplinary measures. If improper care results in harm to an iPad, the student will be held accountable for damages. Individuals are to charge their iPad batteries overnight so they are ready to complete work the next day. Students are required to log on/off the school network every school day and to back up critical files to a network storage on a regular basis. Malfunction of an iPad is not an acceptable excuse for failure to turn in work.

Your iPads should not be put in situations that increase the risk of theft or incidental damage. Your iPads must never be loaned to someone or left unattended/unsecured. During the school day, users must have iPads with them or locked in their school locker (or placed in other designed areas as directed by school officials). iPads should go home with individuals each evening and must not be left at school during vacations. When off-campus, iPads should be stored in a secure, temperature-controlled place.

Your iPads will be pre-imaged with specifically chosen apps designed for your academic use. These will be synced by the SCC technology department personnel only. **UNDER NO CIRCUMSTANCES** should any student re-sync an iPad. A breach of this term will result in **SERIOUS DISCIPLINARY ACTION**. You are encouraged to utilize this valuable resource in such a way as to gain additional academic benefits. It is imperative that you understand the storage limits and do not overload your iPad storage capabilities. If you are in violation of this, you will initially be given a warning and told to correct the problem. If you are in violation after the initial warning, you will face disciplinary action. Downloaded apps should primarily be those geared toward further academic pursuits, rather than personal interests, hobbies, etc.

IT Help Desk Policies

Our IT Help Desk is located in the MAC Lab (Room 142). Days and times for the IT Help Desk will be posted on the door of this department. Students needing technical assistance should report here. SCC has contracted a local, Apple Certified, computer and networking repair company (Madere Solutions) to ensure that our students receive the most up-to-date technology offered to them and that these tools are maintained and properly utilized. (See our SCC IT Department page on the school website for more information).

Students must seek help as soon as a problem surfaces with an iPad. Unresolved problems can magnify support issues and cause additional problems to develop. The IT department will conduct random checks to ensure proper condition of devices.

Students are expected to be active participants in problem resolution.

iPad Insurance

It is a requirement of the Archdiocese of New Orleans for SCC to carry insurance coverage on iPads.

The iPads are covered by the Apple Care + policy. In addition to the terms listed in the iPad User Agreement Forms in the Student Handbook, policy information is available for view at Apple.com.

Acceptable Behavior Policy

A St. Charles Catholic student is expected to abide by the technology guidelines set forth by the Archdiocese of New Orleans and our school.

1. Any viewing or sharing of material containing inappropriate content, offensive language, or derogatory rumors/gossip is strictly prohibited, except as expressly authorized in connection with approved curricula and course materials.

2. Any activity, whether utilizing the Archdiocesan Network or other means of electronic communication, which would pose a risk of physical harm to persons or property is prohibited.
3. Privacy of self and others will be protected by not revealing passwords, addresses, or other personal information on the Internet without the guidance of a parent or faculty member.
4. All information and media acquired through the Internet or other information technologies will be documented and properly cited.
5. Certain materials may not be copied or reproduced without the permission of the author. It is the student's responsibility to ascertain whether the use of such materials without permission is covered by lapse of applicable copyrights, the fair use doctrine, or other exceptions.
6. The Archdiocesan network or any data on the network may not be accessed without authorization. This includes, but is not limited to, accessing the network using any account other than a student's own. Doing so will be considered an infraction of the SCC Honor Code.
7. All computing equipment and related resources will be used appropriately and responsibly, with minimal wear and tear. Computer environments will be kept clean and consistent, causing no unnecessary work for others. Valuable resources, including, but not limited to, printer paper and toner, server disk space, and network bandwidth will be conserved as much as possible. Printing, file storage, and data transfer activities will be self-monitored.
8. A St. Charles Catholic student is always a representative of the School. However, SCC acknowledges that electronic communications and internet conduct are the responsibility of the student and his parents/guardians and that this policy does not purport to cover non-campus, non-SCC network communications where there is no association with SCC other than the fact that one or more of the parties to such communication may be a student of St. Charles Catholic High School.
9. St. Charles Catholic encourages students to consider whether their electronic communications, or the contents thereof, may be regarded as offensive, hurtful, or otherwise inappropriate by other students, faculty, or persons associated with or not associated with St. Charles Catholic High School.
10. Students should be mindful of the permanence of many forms of electronic communication. All student communications with employees or other adult supervisors at St. Charles Catholic High School is subject to these policies, no matter the location of such communication.
11. Parents grant permission to and authorize St. Charles Catholic High School to provide live, online instruction by means of an online learning platform chosen by SCC, in lieu of in-person instruction as needed. SCC is prepared to move seamlessly from one mode of learning to another at any given time: traditional, blended, or remote.

Even when a student is not on campus, he or she is expected to abide by the technology guidelines set forth by the school whenever accessing or using Archdiocesan network resources or representing any association with St. Charles Catholic or the Diocese.

Consequence of Violation

A student whose behavior or repair record indicates careless use or abuse of iPads/MacBooks or other technical resources, even if repairs are covered by our damage agreement, will be referred to the Dean of Students for disciplinary action. The institution has the right to restrict or terminate network and internet access at any time to protect the integrity of the network or prevent misuse. Consequences of violation include but are not limited to detention, suspension, or revocation of internet access, network privileges, and computer, or iPad access. Other standard disciplinary measures may be applicable to students.

Conclusion

It is impossible to cover every situation that will arise and have a guideline in print that will handle it. If a student is involved in a situation that is unacceptable and in opposition to the philosophy and goals of SCC, the situation will be dealt with in as fair and appropriate a manner as possible. THE ADMINISTRATION IS THE ULTIMATE INTERPRETER OF THESE GUIDELINES. The administration also reserves the right to make changes, deletions, or additions to this handbook.

AT SCC, STUDENTS ARE ENCOURAGED TO BECOME RESPONSIBLE MEMBERS OF THE COMMUNITY, DEVELOPING POSITIVE ATTITUDES AND VALUES, INCLUDING A SENSE OF SELF-DISCIPLINE AND RESPECT BOTH FOR THEMSELVES AND OTHERS. IT IS OUR DESIRE THAT CONCERN FOR EACH INDIVIDUAL PERSON WILL BE AN UNDERSTOOD CHARACTERISTIC OF ALL IN THE SCC FAMILY.

The primary criterion of the success of these guidelines will be the willingness of EACH STUDENT to make them work to realize that each person here has a responsibility to every other person and to the community as a whole.

Please understand that signing the acknowledgement form at the end of this handbook signifies that you have also received, read, SUPPORT, and agree to abide by and follow these Technology Policies and Procedures of St. Charles Catholic High School and the Archdiocesan Internet Policies and programs.
